Dear Mr. Mills:

My husband and I have been residing in Robinswood for 5 years and have made vast improvements in our property. We have been very pleased with the neighborhood, with our property values, and the friends we have established. It is a residential area and the addition of the proposed 138 foot monopole cellular telephone tower will definitely not enhance the looks of the neighborhood or improve the property values - as a matter of fact, quite the opposite.

We strongly oppose the construction of this tower.

Sincerely,

  
Mr & Mrs Robbie Ballard
